General Purpose RFID Labels - 3" Core, 8" OD

Suitable for most non-metallic surfaces, such as plastic and corrugated boxes. Typical applications include: Labelling of boxes, pallet, products and healthcare samples.

Zebra's RFID labels have been tested and optimised to work with Zebra's RFID printers and readers. We always recommend testing in application.

Advanced RFID Labels - 3" Core, 8" OD

Suitable for use in similar applications to the general purpose labels, but provide a higher level of read-performance.

Typical applications include: Labelling of boxes, pallet, products and healthcare samples.

Zebra's RFID labels have been tested and optimised to work with Zebra's RFID printers and readers. We always recommend testing in application.
